Summary

Dedicated and focused employee who excels in achieving the highest quality and completion of metal buildings. I have been involved in the family owned business since 1996. Shows Steel is a Butler Builder and certified by the NCI Group for installation. I have erected many brands of buildings including Butler, Mid-West, American, Varco- Pruden, USA, Pinnacle, Ruffin, Nucor and Metallic. I am very knowledgeable of the IFC drawings, and project specifications. Shows Steel and Myself are very conscious of the quality and safety on all projects.
